To Whom it May Concern,

It is my absolute pleasure to write this recommendation for Briana Bauer. Briana is an exceptional performer and you can't take your eyes off of her. She lights up the stage and her body movement and emotions she evokes is absolutely breathtaking. She is truly flawless.

I recently produced Sweet Charity and Briana played Charity Valentine. I always thought of Bri as a dancer, because I had directed her as Velma in West Side Story where she was the lead Jet Girl. To say she was phenomenal is an understatement. But, seeing Bri as Charity expanded my perception forever.

Bri is a true triple threat. Her acting, comedic timing, and ability to capture the essence of a character is something to behold. Her vocals are spot on. But Bri is so much more than technically great. Her choices always drive the heart and soul of the character.

And, on top of all that, Briana is a joy to have in your cast. She is so positive, warm, supportive and friendly. She will take any direction and will work harder than anyone you have ever met.

Sincerely,

Devery Holmes
